

# LiveWell Bolsters Management Team With New Additions

Dec 11, 2017

**OTTAWA, ONTARIO** – LIVEWELL FOODS CANADA INC. (“LW”, “LiveWell” or the “Company”), welcomes Mr. Robert Leaker as Chief Operations Officer and Head of Science, Technology and Innovation.

Mr. Leaker brings over 22 years of experience in the refining, retail, finance and biotechnology industries. He has a demonstrated track record of creating and executing on innovative new business line development in both large corporate and small start up companies. Previously, Mr. Leaker was Chief Operating Officer at a small biotechnology start up focusing on extraction and isolation of Cannabis and was head of their Pharmaceutical division developing clinical research programs for Cannabis extracts.

Mr. Leaker has over 12 years of experience as a financial services executive working for Meridian Credit Union and CIBC where he developed and rolled out new business lines and sales programs resulting in billions in new sales channels. At CIBC he was responsible for developing and implementing new technology platforms for supporting sales and marketing teams and has led operations teams to manage risk programs within the highly regulated financial sector. Before this, Mr. Leaker started his career in the oil and gas sector at Petro Canada (now Suncor) responsible for overseeing retail operations and franchise management and has 5 years of process engineering experience.

Mr. Leaker received his Masters of Business Administration from Queens University. He also holds a Bachelor of Science in Molecular Biology & Biotechnology and a Bachelor in Chemical Engineering from McMaster University.

## About LiveWell

**LiveWell Foods Canada Inc.** (Ottawa, Canada) is dedicated to the highest quality standards in delivering cannabis and hemp products.
